Postcards are collected along with stamps in Scandinavian clubs such as Sundvalls Vykorts och Frimärksklubb, and many others. Sweden's *Filatelisten*, Norway's *Norsk Filatelistisk Tidsskrift*, Denmark's *Dansk Filatelistisk Tidsskrift* and Finland's *Filatelisti* regularly feature articles on post cards. Furthermore, Postiljonen, Malmö Frimärkshandel, Skanfil and Hellman auction catalogs are rife with postcard offerings. Postcards are certainly a popular collecting area in the Scandinavian countries.

Postcards will be the topic of the **June 8**, **7pm**, Chapter 14 meeting at **Danish American Center**. Members are requested to bring items to show from their collections including postal letter cards.

Pictured above is a page from Antti Heinonsala's "Hanko-Hyvinkää Railroad" exhibit. Here he uses a freight label as the header and cancels and covers along with pictures of the post office and depot to depict Hanko.
