Five Minutes

It has now been nearly ten weeks since the last Chapter 14 meeting in June at Danish American Center. Unfortunately our plans for July collapsed with the cancellation of Minnesota Stamp Expo.

Chapter 14 returns to regular monthly meetings on **September 14, 7pm**, at **Danish American Center**. The evening's program is "Five Minutes" or in other words "What did I do with my collection since June." Each member is invited to share something new from their collection. Additionally, a preview of upcoming plans will be presented and discussed.

GASS/Martin Mörck

Steve Opheim attended the August APS GASS exhibition in Cleveland where stamp engraver/designer Martin Mörck celebrated two new issues. Unfortunately, Steve will be in Switzerland and miss the September meeting. His review of GASS and report on Martin's new issues will be presented at the Chapter 14 meeting on **October 12, 7pm**, at **Danish American Center**.

Swedish Öre Coat of Arms Issues

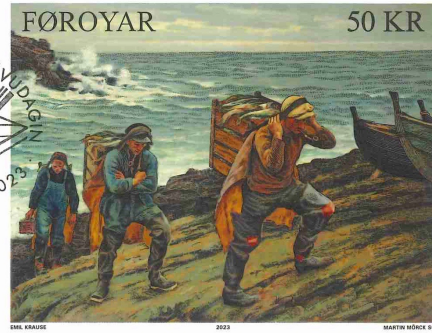

Pictured is the 12 öre Coat of Arms issue with "exclamation point" plate variety. (F9, v6). Following Steve Opheim's presentation at the **October 12, 7pm**, meeting Steve Lund will present "Collecting Swedish Öre Coat of Arms Issue." The program will emphasize use of FACIT *Special Classic* in identifying colors, perforations and usage periods. Much new research has been published on these issues stimulating popularity for this collecting area.
