

Chapter Reports February 2017

Chapter 1 – Seattle

The chapter perused circuit books in October, studied Sweden in November and had a show and tell of Scandinavian Christmas seals followed by Christmas Cookies in December.

Chapter 4 – Chicago

The chapter has SCC and APS circuit books at each meeting. Members bring items to show and talk about thus, each month's program has something different.

Chapter 9 – North New Jersey

Meetings are held at member homes and review of SCC and APS books take place. A discussion on FIFO and LIFO methods being used in issuing early Norway stamps which result in sequencing of cancellations on issue types ensured.

Chapter 14 – Twin Cities

December's Christmas dinner was held and also the SCC annual meeting in Chicago was discussed. January's meeting discussed Swedish Cancels and the February meeting will cover the "Three Number" cancellation dates of Finland.

Chapter 24 – Manitoba

The winter schedule opened with a show and tell meeting and discussion of Bandon, Manitoba postmarks from the 19th century.

Chapter 17 – Southern California

The chapter continues to review mart books at each meeting.

Chapter 21 – Golden Gate

The January meeting was a holiday get together and was followed by a February meeting of discussion and review of mart books.

Plans are underway for the chapter to support the SCC annual meeting at WESTPEX on April 28 – 30, including an SCC dinner on Friday night.

Chapter 27 – Colorado

A video presentation was chosen for the early January meeting and later in the month a talk on Fredericia, Denmark took place. Also, at this meeting an introduction to Iceland Fiscal/Revenues took place

Also, a series of “Scribblings” on the RMPL is being developed by Jeff Modesett.

Chapter 7 – New York

Chapter 7 last meeting took place during a snow storm. They reviewed mart books and spoke of a long time member who has recently passed away. They also welcomed a new member.
