

Invitation to Join the
Scandinavian Collectors Club

And Enjoy the Many Benefits of Membership

The Scandinavian Collectors Club was founded in 1935 by a small group of Finland collectors. Since then, the SCC has grown into the world's largest stamp society specializing in the Scandinavian nations' philately.

The club's purpose is to promote fellowship and communication among collectors and students of Scandinavian philately. Our conventions and regional meetings have become gatherings for old and new friends.

The Posthorn

Our award-winning quarterly journal features various current and scholarly articles on Nordic philately, book reviews, philatelic news from the Nordic countries and Club activities.

Receive Awards

The SCC recognizes member achievements and contributions to Scandinavian philately by awarding medals to exhibitors at all levels of competition at national and shows. We present the Genuine Swedish Post Box at the annual meeting as the best Scandinavian exhibit of the show. We award SCC medals for outstanding classic, postal history, and topical and postal stationery exhibits.

Borrow from the SCC Library

DENVER, COLORADO

Members and visitors are welcome to visit our Denver, Colorado library at the Rocky Mountain Philatelic Library. The SCC has its own room and is open most weekdays and Saturdays. It contains hundreds of reference books, monographs, journals, catalogs, and other research material. Only members may borrow books by mail.

Participate in Auctions!

Up to four times a year, the SCC conducts an auction for members only. Lots consist of stamps, covers and postal history plus literature. There have been some great bargains purchased at these auctions.
